

WARD CHRISTIAN EDUCATION "ROYALTY"

What is "Royalty"? It is a five-point voluntary certification program for our Christian education workers.

"ROYALTY" can be attained through:

1. **R**eading
2. **O**bserving another class
3. **Y**early conference and/or workshop attendance
4. **A**ssessment of your teaching, and
5. **L**eadership training: attending a minimum number of meetings and development opportunities

After you have completed the requirements, you will be awarded a "golden apple pin," be honored at a teacher's meeting, and have your name and picture appear in the *Cornerstone*. The main purpose of "Royalty" is to challenge yourself to be a more qualified teacher and to encourage others to take that same exemplary challenge.

More detailed information about this program is available in the Christian Education office in the "Royalty" flyer.
