Pumpkin Patch Party!

October 31, 6:30 P.M.—8:30 P.M.

Yeeeeeeeah! It's time to get out your country finery. We are gonna have us a party in the Pumpkin Patch! All boys and girls are invited to come and share in the fun!

The theme is a country fair with games for all ages and skill levels, storytellers, refreshments, clowns, face painting, and more. Come dressed as a farmer, cowboy/girl, produce, livestock, etc. Be creative! Other costumes will be welcome as long as they are appropriate for the evening. Devils, ghosts, witches, monsters, and other seemingly evil or violent characters are inappropriate and will not be welcome.

Admission is one factory-sealed bag of individually wrapped candies per family.

In a day and age when occultic influences are on the rise and the public safety of children must be taken seriously, the children's ministry of Park Chapel wishes to provide a joyful alternative to the traditional celebration of Halloween.

Pumpkin Patch Party Workers Needed!

Will you be a partner with the children's ministry in this event? We need workers to staff the game booths, help with setup and cleanup, assist with food, serve as greeters at the door, help secure small prizes as giveaways (promotional items, "french fry cards," pencils, etc.), and to pray for the impact of this event.

Sign-up sheets will be in the Sunday bulletin and also at a table in the Gathering Place.

Primary Believers/PC K.I.D.S. Off to a Great Start!

Our fall program got off to a terrific start with **90 1st through 5th graders** there to make sure of it! Thanks to the **40 adults and teens** who staffed the games, prepared the food, handled registrations, and made it all work

Special thanks to **Becky Hall, Pam Sever, and Joyce West** for coordinating and recruiting the workers, to the Fraternal Order of Police for the use of the dunking tank, and to the Greenfield Fire Department for filling the tank.

Unsung Heroes

There is a group of people it is very easy to forget about unless they are not there. They are the **children's workers**. Each Sunday, these men, women, and teens provide quality teaching and care for the children placed in their charge. From **nursery to 5th graders** during Bible School and worship, they diligently strive to communicate God's love through lessons, crafts, songs, drama, activities, and more. **Parents**, take a few moments over the next few weeks to stop and let them know how much you **appreciate their efforts**. Not only do your children receive first-class care, but these workers provide the freedom you and others need to learn and worship without distractions.

Schedules/Medical Release Forms

Make sure to pick up a fall schedule of the meetings and outings. You will find them on the Info Tower in the Gathering Place along with the medical release forms. **Parents, please complete and turn in a medical form for your child/children.** We must have a current form on file for your children to go on our outings.
